Australia	from the French Embassy in Australia - Baudin Grant	masters, PhD, health engineer diploma	around 16 scholarships per year	The Baudin scholarship is now available to students who wish to undertake a study program taught in English in a French university. Whilst in this context, a working knowledge of French is no longer a pre-requisite to undertake studies in France, students will greatly enhance their chance of selection if they supply evidence of prior knowledge of French (e.g. study transcripts showing French courses undertaken) or else evidence of some efforts to learn or brush up on their French by either attending a course before their departure to France, or enrolling into one during their stay in France.	The grant comprises a lump sum of A\$2300 of bursary money and social security cover for the duration of the studies in France.	a semester or a year	mid may	Please find here the application form and all information you will need: http://www.ambafrance-au.org/france_australe/IMG/pdf_Baudin_server_09.pdf	Béatrice Chassaing Embassy of France in Australia 6 Perth Ave Yarralumla -Canberra- ACT 2600 tel: 02 6216 0154 fax: 02 6216 0156 beatrice.chassaing@diplomatie.gouv.fr
