EDUCATION DETAILS

2012: PhD in Political Science, University of Rennes 1/Science Po Rennes

CURRENT POSITIONS

Since September 2013: Post-Doctoral Research Fellow at the Chair “Social care: lien social et santé”, French School of Public health

PREVIOUS POSITIONS

2012-2013: Research fellow at the French School of Public Health;
2007-2012: PhD Student, “The Transformation of the Bulgarian Health System: the Medical Profession as an Actor of Change”, University Rennes 1, under the supervision of Patrick Hassenteufel (politist) and François-Xavier Schweyer (sociologist).

FELLOWSHIPS AND AWARDS

Doctoral fellowship from the National School of Public Health (France).

TEACHING ACTIVITIES

My main teaching activities concern the public policy analysis (Master Public Health, Mention social sciences, EHESP); as well as different sector policies such as health care and long term care policies in a comparative perspective and health and social policies in France (Master of Public Health, MPH, EHESP, 2009-2013; Master Public Health, Mention social sciences, EHESP and Master “Public policy and actions in Public Health”, EHESP). I also coordinate a cycle of professional conferences within the Social and Health Policies Seminars of the EAPT and AEPE Master’s degree of the Institute of Political Science in Rennes.

MAJOR COLLABORATIONS

Research projects:

- Post Doctoral position in the research project “Professional Dynamics in the Field of the Alzheimer’s disease” (DYANA), Scientific coordinators Blanche Le Bihan and Claude Martin, funded by the Fondation de Coopération Scientifique Alzheimer (2015-2017);
