

**Employment of persons with disabilities:
Role of the public sector as an employer
European perspectives**

Research seminar – Programme

Paris, EHESP, September, 15th and 16th, 2016

This third research seminar aims at **carrying on the discussions on the employment of persons with disabilities in the public sector** started in 2013.

During this two-day seminar, we will **look at the examples of promising practices collected by the participants** as well as **perspectives to disseminate our work**.

These seminars are part of a project whose objectives are to:

- Map, across European countries involved in the project, the situation of the employment of persons with disabilities in the public sector: looking at policies enforced and at statistical data.
- Share concrete and innovative solutions as well as best practices on the employment of people with disabilities in the public sector.
