

## "Endocrine Disruptors: an Update" 5<sup>th</sup> European Doctoral College on Environment and Health (EDCEH)

Download program ((lien vers le PDF))

### Monday 4 June

---

8:30-9:00.....Registration/ Welcoming

9:00-9:15.....Introduction

#### Symposium 1 | History and Definition of Endocrine Disruptors Within the Regulatory Context

---

Chairpersons: *to be confirmed*

9:15-10:00..... **Plenary Lecture** "The Long Story of Endocrine Disruptors"  
**Bernard JÉGOU** (Irset - Inserm UMR 1085, Rennes, France)

10:00-10:45 ..... **Selection of 2 Oral Communications**

10:45-11:15 ..... Coffee Break

11:15-12:15 ..... **Conference 1** "What is an Endocrine Disruptor?"  
**Robert BAROUKI** (UMR 1124, Université Paris Descartes)

12h15-14:00 ..... Lunch

#### Symposium 2 | Exposure Characterization to Endocrine Disruptors

---

Chairpersons: *to be confirmed*

14:00-15:00 ..... **Conference 2** "Human Exposure Characterization to Endocrine Disruptors in the Perinatal Period: Challenges and Applications"  
**Jean-Philippe ANTIGNAC** (Laberca, Nantes, France)

15:00-16:00 ..... **Conference 3** "Human Exposure Study of Phthalate Esters – Comparing Dermal and Inhalational Uptake"  
**Anette KRAIS** (Swetox, Sweden)

16:00-18:00 ..... **Workshops**

**Workshop 1** ..... "Omics Tools for Research on EDs" (basic level)

**Workshop 2** ..... "Where's Waldo? Use of Databases for Chemical Safety Assessment and Prediction of Potential Endocrine Disruptors"  
**Thomas DARDE** (Irset-Inserm UMR 1085, Rennes, France)

## Tuesday 5 June

---

### Symposium 3 | Models and (Non-)Standard Tests for Endocrine Disruptors

---

Chairpersons: *to be confirmed*

8:30-9:30..... **Conference 4** "Identification of Endocrine Disruptors in European Regulation: Example(s)"

**Cécile MICHEL** (Anses, France)

09:30-10:15..... **Selection of 2 Oral communications**

10:15-10:45..... Coffee Break

10:45-11:45..... **Conference 5** "Development of New Tools to Test Endocrine Disruption"

**Gregory LEMKINE** (Watchfrog, Paris, France)

11:45-12:45..... **Conference 6** "Mammalian Model to Test Endocrine Disruption"

**Gabriel LIVERA** (UMR967 Inserm LDG, Fontenay-aux-Roses, France)

12:45-14:15..... Lunch

14:15-16:15..... **Round Table** "Standardised versus Non-Standardised Test"

With: **Cécile MICHEL, Gregory LEMKINE, Gabriel LIVERA**

Moderators: *to be confirmed*

16:30-19:00..... **Poster Session** and **Cocktail**

## Wednesday 6 June

---

### Symposium 4 | Innovative Methods and Predictive Tools to Investigate Endocrine Disruption

---

Chairpersons: *to be confirmed*

8:30-9:30..... **Conference 7** "Predictive Tools: a New Window to See Endocrine Disruption"

**William BOURGET** (Montpellier, France)

9:30-10:30..... **Conference 8** "Bioassay Directed Identification of Antiandrogenic Compounds in Environmental Samples?" **Pawel ROSTKOWSKI** (Faculty of Health Sciences, Norway)

10:30-11:00..... Coffee Break

11:00-12:00..... **Conference 10** "Azol Fungicides: from Molecule Interactions with Steroidogenic Enzymes to Endocrine Disruption?" **Bjarne STYRISHAVE** (University of Copenhagen, Denmark)

12:00-12h30 ..... Closing and Thanks
