Zoom online session :

ALCIMED International : Company presentation

- Klara Szent-Ivanyi, Diane Deville

Description : *ALCIMED is an Innovation and New Market Development Consulting firm specialized in life sciences (healthcare, biotech, agrifood), chemistry, materials and energy as well as aeronautics, space & defense. Our purpose is to support our private and public clients in the exploration and development of uncharted territories.*

10.00-10.30 | Amphi Michel Crozier, Main building

Zoom online session :

Workshop : ALCIMED International :

Patient Pathway

Description: *The patient pathway workshop is centered around rare lung diseases and looking into the treatment pathway that patients with such rare diseases follow. The students will have to fill in a pre-made Alcimed template on the different steps of the patient pathway: The various steps, the timeline of each step, the stakeholders involved at each step, the bottlenecks of each step and the potential improvement points at each step. In order to complete this exercise, the students will be given pre-prepared material to review and use to fill in the template. The students will be divided into teams of max. 5, and will have to work collaboratively for about an hour on the case.*

10.30-11.45 | Room D2, Main building

Organisation : Médecins du Monde

- Christelle Prévost & Mélanie Rondeau

Description: *Médecins du Monde is an independent international movement of campaigning activists who provide care, bear witness and support social change. Through our 355 innovative medical programmes and evidence-based advocacy initiatives, we enable excluded individuals and their communities to access health and fight for universal access to healthcare.*

11.45-12.15 | Amphi Michel Crozier, Main building

Zoom online session :

**BOOTHS : Alcimed
International, Médecins du
Monde, Alumni CV Check
& EHESP Doctoral students**
